### OUR PURPOSE

To provide opportunities to practice wholesome competition. Competition is part of the American lifestyle. But undue importance should not be attached to the outcome of this competition of young children. Skill development and the opportunity to participate should be stressed. Parents and coaches encourage the child to judge his/her performance according to ability, rather than the outcome of the contest. As children mature, the outcomes of contests can become more important.

As our storage building and rest rooms near completion, we still need volunteer workers and helpers. Please contact Joe Lavrich 265-4804 or Anthony Simonetti 224-1617.

### DONOR

Dr. William Petitto

### DEER LAKES YOUTH FOOTBALL ORGANIZATION

We wish to thank the Allegheny County Recreation Dept. and Deer Lakes School District Personnel for their help to make the 1985 Football Season possible.

A special thanks to Dr. Richard DiSanti for the services he volunteers to the Organization which help make it the success that it is.
